After taking a year off, due to the COVID-19 Pandemic, the *"Friends of Riverview Nursing Home Levy Committee"*, is excited to announce our eighth annual **"Lenny Appelhans, Appel Open Golf Scramble"**! We hope you enjoyed golfing in our event in the past and hope you will be able to join us again this year! The event will take place on Saturday, August 14, 2021 at the beautiful Oak Harbor Golf Club. The afternoon begins with a siren start at 1pm, includes dinner and other fun activities throughout the afternoon!

The event is in memory of Lenny Appelhans (also known as the "Voice of the Oak Harbor Rockets"). Lenny was the Staff Accountant at Ottawa County Riverview Nursing Home at the time of his passing on July 3, 2011. Lenny loved working at Riverview as well as spending time on the golf course with his friends! The committee is combining Lenny's loves and planning this special event with his family's blessing, with all proceeds benefiting the *"Friends of Riverview Nursing Home Levy Committee"*.

The scramble is a 4 person scramble. The cost is $70 per person this will include golf, supper, two drink tickets and every hold in one on Lucky #7, wins $1,000! There will be many other exciting events and prizes given throughout the afternoon.

Thank you in advance for your time and consideration of supporting the Annual Appel Open! If you have any further questions please feel free to contact me, 419-967-0219.

Contributions from a Corporation or Labor Organization Supporting or Opposing Ballot Issues — Form 30-B-1

This form is used when a corporation or labor organization makes a contribution directly from its treasury to a ballot issue or levy committee. The contribution may be either monetary or in-kind. The 30-B-1 form is filed with the secretary of state for statewide issues. If the ballot issue is not a statewide issue, the form is filed with the appropriate county board(s) of elections. [R.C. 3517.11(A), 3599.03(C)].

The corporation or labor organization is responsible for filing this form when required.

The Receiving Committee block should reflect the ballot issue committee information.

If the contribution was in-kind, a description of the item or service should be placed in the Cash, Check, Item or Service block. If the contribution was monetary, cash or check should be indicated.

The Date block should be completed with six digits. For example, March 9, 2005, would appear as 03 09 05.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

A pre-election filing is due by 4 p.m. 12 days before an election if $1,000 or more in money or benefits was contributed by the 20th day before the election.

A post-election filing is due by 4 p.m. 38 days after the election if:

1. Money or benefits were contributed totaling less than $1,000 by the 20th day before the election and no pre-election filing was made; or
2. Any money or benefits were contributed between the 20th day before the election and the 31st day after the election.

If a PAC sponsored by a corporation or labor organization makes the contribution rather than the corporation or labor organization itself, the expenditure should appear in a PAC report, not on this form. If a political contributing entity (PCE) makes a contribution, the expenditure should appear in the PCE report, not on this form.

The form may be signed by any member of the corporation or labor organization.
