CONGRATS TO Lisa Barrett, 40 Years of Service

Lisa was given a metal light up sign, designed by Imagine Metal Arts: Zbierajewski Machine, LLC as gift by Riverview in honor of her retirement. The sign "Barrett's Billiards" with a "40" inside the pool ball, was to be an accessory to Lisa's new pool table she purchased for herself as a retirement gift.

On Saturday, December 31st, Lisa handed over her Director Title to Margie Zunk, after 40 years of service to this building!

The residents, staff and visitors celebrated with Lisa on Friday, December 30! Our Food & Nutrition Manager, Megan Knecht, made Lisa's favorite Ice Cream Sandwich Cake.

The Ottawa County Board of Commissioners read a Proclamation in Lisa's honor and declared Friday, December 30 "Lisa Barrett Day" throughout all of Ottawa County.

Lisa shared memories of working hard on level 3 snow days. Riverview Administrator, Kendra German, shared her 1st experience with Lisa as a volunteer; serving up Mint Shakes on a snowy St. Patty's Day! Brian Coil, CFO, took the mic, stating he would miss the Mud Hens games that he drove the Riverview Bus filled with residents too!

While Lisa is already missed in our hallways, we are excited and wish her all best in her retirement.

Pride in Food Services Week

February 5-11, 2023

Meals help meet many needs for everyone in and out of nursing homes. In nursing homes, meals and mealtimes are especially important. Many nursing home residents have special nutritional needs. Others may need food specially prepared due to digestive disorders. Mealtimes are one of the most important activities of each day and provide an important opportunity for social gathering and sharing. Due to their social and nutritional significance, meals are a major concern for most nursing home residents.

At Riverview Healthcare Campus these needs are met by our Food and Nutrition Department! The department is overseen by Director, Jane Wolf, RTD, who is also a Diet Technician. Jane ensures that residents get their correct nutrition as well as their likes and dislikes are managed. The Manager of this department, Megan Knecht, oversees much of the day to day operations of our kitchen and dining room.

Riverview's Food & Nutrition Department also handle the meals of Ottawa County Senior Resources (Senior Centers and Home Delivered Meals). Approximately 300 meals per day are produced in our kitchen!

Please help Riverview honor this department during the week of February 5-11, 2023, Pride in Food Services week, for all their hard work for our residents as well as the other programs they serve!
