## *Easter Bunny Brings Joy to Residents*

The resident's at Riverview had a wonderful surprise on Easter week when they were joined by "Blossom the Bunny" (Activities own Andrea Carrico" who helped our Riverview Activities group pass out Easter treats and play games.

"Bunny Bingo" complete with Easter themed prizes was a favorite.

Our Activities Department hosted a "hide the bunny" scavenger hunt and the residents delighted in turning in their bunny for a surprise treat.

Residents were busy with several Easter Crafts this month that included-"bunny" clay pots and Pom Pom paintings for spring. They also took part in dyeing paper mache' Easter eggs which was one of the fun activities enjoyed by all.

Our Auxiliary was also on hand to provide treat bags to all of the residents on a sunny Easter morning, filled with a stuffed rabbit, sugar cookie and chocolates.
