Riverview Review

3rd Quarter Summer Edition 2023

14 th Annual Cruise-In Car Show

Beautiful Blue Skies were a great background for the 14h Annual Riverview Car Show that was held in the front parking lot of the facility. Visitors as well as employees brought out their favorite vintage cars and motorcycles that day. The resident's & visitors really enjoyed looking at all of the beautifully restored vehicles on display.

D. J. David Ninke provided the background music for the show, which included some Beach Boys music and "car songs" as well as a good mix of fifties and sixties oldies.

The Riverview Auxiliary were able to provide the food stand for the event. Delicious hot dogs with all the fixings, chips & icy cold drinks kept the drivers visitors happy as they strolled around looking at the shined up cars.

The weather cooperated, it was a beautiful day. The sun was shining at it was eighty degrees with just a bit of wind.

29 vehicles cruised in and out of our car show.

The "Driver's Choice "basket was won by Steve Henry.

A big thank you to Riverview employees Anne Powell, Nelson Duty, Kelly Pena and Liv Greener from Concept Rehab for bringing their vehicles.

A BIG thank you to all who helped & participated. It was a spectacular afternoon!
