RIVERVIEW REVIEW

Volume 1, Issue 1 **February 2026**

Winter Wonderland

I had heard from more than one source that this was supposed to be a cold and snowy winter. When we had a tease of cold weather before the holidays, followed by a mild and green Christmas, I became skeptical that those forecasts might be yet again wrong. I am now a believer. The weather we had in January has reminded me of the winters I had growing up in the 1970s and 1980s.

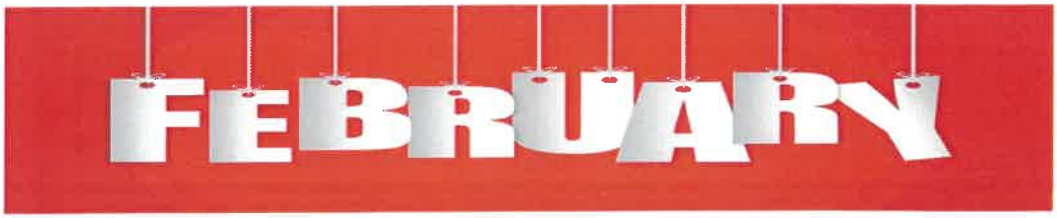
While the winter storm made travel difficult the last weekend of January, I am grateful for all the staff that made it in to care for our residents. Thank you for your dedication to our Residents!

I, too, want to give a shout out to our Maintenance staff, Nelson and Ty, for their hard work during the snow storm and prolonged cold snap. There have been a number of challenges related to the extreme temperatures, and they have worked hard to keep residents comfortable, and staff safe, during the harsh conditions.

Do not forget about the Quarterly All-Staff Meetings February 5-6 along with the "Souper" Bowl Potluck on February 6th from 10:00am—1:30pm, and 9:00—11:00pm. I look forward to seeing you there!

Your Partner in Caring,

Michael



FoodService Week

Meals help meet many needs for everyone in and out of nursing homes. In nursing homes, meals and mealtimes are especially important. Many nursing home residents have special nutritional needs. Others may need food specially prepared due to digestive disorders. Mealtimes are one of the most important activities of each day and provide an important opportunity for social gathering and sharing. Due to their social and nutritional significance, meals are a major concern for most nursing home residents.

Riverview's Food & Nutrition Department also handle the meals of Ottawa County Senior Resources (Senior Centers and Home Delivered Meals). Approximately 300 meals per day are produced in our kitchen!

Please help Riverview honor this department during the week of February 2-6, 2026, Food Service Week, for all their hard work for our residents as well as the other programs they serve!

thank you
