HOW RIVERVIEW CREATES MEANINGFUL EVENTS

At Riverview Healthcare Campus, we believe that every event should bring joy, connection, and purpose to our residents' lives. That's why we go beyond simply planning activities—we create meaningful experiences tailored to the unique preferences and needs of each resident here at Riverview.

We understand that no two residents are alike, which is why our team takes the time to get to know each individual's hobbies, passions, and goals. Whether it's organizing a gardening workshop for plant enthusiasts, hosting music sessions for those who love to sing, or planning game nights for puzzle fans, our events are designed with the residents in mind.

Activities can reduce loneliness and cognitive decline as well as assisting seniors in maintaining a higher level of physical activity and better sleep. Typical examples include:

- Singalongs
- Church services
- Birthday or holiday celebrations
- Card or games nights
- Movies

Questions or creative ideas to share please contact Margie Zunk—Activities Director @ 419-898-2851 Ext. 4036.

Occupational Therapy Month

According to the American Occupational Therapy Association (AOTA), occupational therapy is "the therapeutic use of everyday life activities (occupations) with individuals or groups for the purpose of enhancing or enabling participation in roles, habits, and routines in home, school, workplace, community, and other settings." The core philosophy of occupational therapy centers on the belief that engagement in meaningful activities promotes health and well-being. This profession takes a holistic approach to health, considering not just physical limitations but also cognitive, emotional, and social factors that impact a person's ability to function independently. Occupational therapists focus on person-centered care, tailoring interventions to meet each individual's unique needs, goals, and life circumstances.

Please make sure you thank our Therapist during the month of April as Riverview celebrates Occupational Therapy Month!

National Volunteer Week

Ottawa County Riverview Healthcare Campus is very fortunate to have a caring group of 300 plus individuals that make up the Riverview Auxiliary! This group stays busy planning resident activities such as the Resident Birthday and Christmas parties, volunteering with refreshments at our Mother's and Father's Day Celebrations, and arranging gifts for Christmas, Mother's Day & Father's Day. The group also makes our Annual Trick or Treat & National Nursing Home Week all possible! In the past the Auxiliary has given tens of thousands for dietary equipment, therapy equipment and the Gazebo (just to name a few)! Auxiliary members also keep our "Shop On The Square" gift shop stocked and staffed!

The Auxiliary is open to anyone interested, membership is just $10 per year or $50 for a lifetime membership. This is a great way to get involved in our building for the good of our residents!
