RIVERVIEW REVIEW

Volume 1, Issue 4 **APRIL 2026**

A Fantastic Opportunity

I cannot tell you how excited I am about Riverview's on-site hiring event on April 7th for STNAs and Nurses.

This is our opportunity to shine, and showcase, the exceptional care we deliver to our residents each and every day! We give great care because of the hard work of each of you. Let's let those exploring job opportunities at Riverview on April 7 be truly amazed at what they see, and your camaraderie with our residents and teamwork with one another. No day is perfect, and no building is either, but we have so much to be proud of at Riverview, and the outcomes for our residents are remarkable.

We have the Hiring Event posted on social media. The staff member whose post regarding this event gets shared the most will win an epic prize. Dig deep into your contacts and encourage them to share! Let's make this event a great day to showcase what a fantastic place Riverview is to work.

Thanks for all you do!

Your Partner in Caring,

Michael

Occupational Therapy Month

According to the American Occupational Therapy Association (AOTA), occupational therapy is "the therapeutic use of everyday life activities (occupations) with individuals or groups for the purpose of enhancing or enabling participation in roles, habits, and routines in home, school, workplace, community, and other settings." The core philosophy of occupational therapy centers on the belief that engagement in meaningful activities promotes health and well-being. This profession takes a holistic approach to health, considering not just physical limitations but also cognitive, emotional, and social factors that impact a person's ability to function independently. Occupational therapists focus on person-centered care, tailoring interventions to meet each individual's unique needs, goals, and life circumstances.

Please make sure you thank our Therapist during the month of April as Riverview celebrates Occupational Therapy Month!

National Volunteer Week

Ottawa County Riverview Healthcare Campus is very fortunate to have a caring group of 300 plus individuals that make up the Riverview Auxiliary! This group stays busy planning resident activities such as the Resident Birthday and Christmas parties, volunteering with refreshments at our Mother's and Father's Day Celebrations, and arranging gifts for Christmas, Mother's Day & Father's Day. The group also makes our Annual Trick or Treat & National Nursing Home Week all possible! In the past the Auxiliary has given tens of thousands for dietary equipment, therapy equipment and the Gazebo (just to name a few)! Auxiliary members also keep our "Shop On The Square" gift shop stocked and staffed!

The Auxiliary is open to anyone interested, membership is just $10 per year or $50 for a lifetime membership. This is a great way to get involved in our building for the good of our residents!

Administrative Professionals are one of the backbones of any organization or business. Their countless jobs include secretarial duties, marketing, accounting, answering phones & scheduling all mixed in with a million other duties beyond what most people can comprehend. They come in early, stay late and must get their work completed so that all other departments can function normally. Hats off to these hard working professionals that give their all each and every day.

thank you
